

Call for Traffic Management Manager

RailNetEurope (RNE) is an association of European Infrastructure Managers (IMs) and Allocation Bodies (AB) with the common goal of facilitating international traffic on the European rail infrastructure and increasing the efficiency of the IM's/AB's processes. Today RNE counts 34 Full Members from 25 different countries and 10 Associate Members (the Rail Freight Corridors).

In this context RNE is looking for a Traffic Management Manager who shall, as head of Traffic Management issues, manage and develop projects related to operational procedures and processes to harmonise the traffic management procedures at European level.

Interested candidates are kindly asked to contact the RNE Secretary General Joachim Kroll (joachim.kroll@rne.eu) and submit their application including CV, letter of motivation and salary expectations (annual net salary) by 30 November 2018.

Candidates should ideally be available from January 2019 (later start is possible).

Responsibilities

- » Leading TM-related projects, in particular the *ETA* and *Language Programme* projects
- » Organising TM Network meetings and ensuring transparent communication
- » Reporting TM-related activities to the Managing Board Member in charge, the Secretary General, the RNE Managing Board (MB) and General Assembly (GA)
- » Presenting relevant topics to external stakeholders (e.g. PRIME, RU Dialogue)
- » Coordinating overlapping tasks with other Working Groups (such as Train Performance Management / TIS / Corridor Managers)
- » Developing international Traffic Management processes according to the objectives set by the TM Network / MB / GA
- » Setting up functional specifications for IT developments in line with these international processes
- » Support RNE in the field of TAP/TAF TSI activities concerning TM issues

Qualifications & skills

- » Very good management and organisational skills
- » Excellent knowledge of the international railway business and specific knowledge of Traffic Management in the railway business
- » Very good communication and team-building skills
- » Ability and willingness to take the initiative
- » Project management experience
- » Being used to working under time pressure
- » Flexibility and availability for international business trips
- » Very good command of English at negotiation level

Tasks may change depending on the objectives and the organisation of the association as decided by the RNE General Assembly.
